BIG DELEGATION OF TEMPESTS TO TUCSON

Forty Students Expect to go. School Closes Tonight and Tomorrow Morning

When the 6:20 train puts out tomorrow morning just about forty enthusiastic representatives of the University high school will be on board, bound for Tucson to participate in and witness the activities of University week which opens at the University this morning. Baseball, track, song, oration, typewriting and stenography contests will be participated in by the local high school students, who feel reasonably certain that they will carry off at least their share of the glory in the week's doings. This is the personnel of the representation for the Tempests as the school authorities have doled it out:

Baseball—Robert Finch, catcher; Harry Stewart, pitcher; Johnnie Moore, first base; George Hegi, short stop; Leo Buck, left field; Fenn Harris, center field; Julius Bush, right field; Clyde Sandoz, Moffatt Dean and Oscar Hadlow, substitutes.

Track—D. Turner, Jess Turner and several members of the ball team. Song—Miss Marion Cook. Oration—Miss Vivian Moore. Typewriting—Kelvin Hennessy and Paul Aepil. Stenography—Zella Austin and William Holland.

Faculty representatives—Superintendent J. O. Mullen, Professors E. A. Row, S. J. Jennings, Monroe Bragg, and Miss Myrtle Rice. Mr. and Mrs. Mullen will leave on this morning's early train for the Old Pueblo to be present at the first meeting of the state school superintendents and professors who will be in conference there today, tomorrow and Thursday.

The students of the high school are in the best of spirits and predict big winnings in their favor between now and the close of events Saturday night. The ball team has beaten everything in the valley without a defeat, one of the typewriter representatives set a new record at practice yesterday morning, the song and oration representatives gave a splendid rehearsal in assembly yesterday afternoon, and all the other representatives are in their prime prepared for anything and everything and above all, to win—if it's within their power.

The full delegation of Tempests goes out on tomorrow morning's early train for Maricopa. School closes this evening for the week.

INTEREST IN REVIVAL

Rev. Claude C. Jones of Phoenix preached an exceptionally able sermon to a good crowd last night in the Christian Tabernacle, corner of Forest and Eighth streets. This was the first of a series of meetings that Rev. Mr. Jones is to hold in Tempe at the Christian church. Speaking on "Brotherly Love" he presented the theme in such a clear cut, helpful way that it won the thoughtful attention of the congregation. Mr. Jones demonstrated his exceptional ability as a pulpit orator and presented a logical gospel message that was profoundly interesting. A contralto solo by Miss Myrtle Rice, music director of the high school, was inspiring and soul stirring. Tonight Mr. Jones will preach on "Immortality," in which the question is answered, "Shall we know each other in heaven?" It is a great subject discussed in a helpful way.

EVENING OF PLEASURE

The ladies of the Methodist church have planned something out of the usual line for Friday night, April 10th, in the church parlors. It is a comedy, "Up of Coffee," that will be presented. Practice is going on and the public is assured of a pleasant evening.

RIG PICKED UP

A stray horse and buggy was picked up across the river day before yesterday and turned over to the city marshal here. The buggy was a steel rimmed runabout and gave the appearance of being a lively runabout and gave the appearance of being a lively turnout. A black mare was hitched to it.

A WEEK OF WEATHER

Maximum and minimum daily weather temperatures for the week ending Sunday, April 4th, were recorded at the entomological laboratory in Tempe, as follows:

Date	Max.	Min.
March 29	78	53
March 30	75	45
March 31	81	53
April 1	86	46
April 2	87	49
April 3	87	51
April 4	87	51

RETURNED TO TEMPE

Oro Buck, the oldest son of D. G. Buck returned to the valley yesterday morning from San Francisco. It has been seventeen years since he was in Tempe but it was not too long a time to keep him away forever. He has returned with the intention of remaining permanently.

SPEAKER AT T. N. S. TODAY

MESA NEWS NOTES

MESA HOLDS DEBATE ON RELIGIOUS TOPIC

Articles of agreement have been signed by James W. Lesueur in behalf of the Latter Day Saints and A. E. Harper, in behalf of the Church of Christ, for a debate upon four subjects of religion to be held in the tabernacle at this place commencing on the 4th of May and continuing for a period of ten days.

It is understood that the debate was precipitated by a lecture on Mormonism delivered at the church in Gilbert last Thursday night by Evangelist A. E. Harper of the Church of Christ.

The following is a copy of the articles of agreement which set forth the subjects to be discussed and the rules of the debate:

A Friendly Public Discussion To be held in Mesa, beginning May 4th and continuing for ten days between representatives of the Church of Jesus Christ of Latter Day Saints and the Church of Christ.

Resolved, that the Church of Jesus Christ of Latter Day Saints is identical with the primitive Church of Christ, as shown by the new testament in organization, doctrine, faith and practice and is therefore the Church of Jesus Christ.

Resolved, that the Church of Christ of which I am a member, is identical with the primitive Church of Christ, as shown by the New Testament, in organization, doctrine, faith and practice and is therefore the Church of Jesus Christ.

Resolved, that the book of Mormon is of divine origin.

Resolved, that the book needed a new witness for God and that Joseph Smith was that witness and therefore a true prophet of God.

It is further agreed that two nights shall be devoted to each proposition and with the consent of both debaters the moderators the affirmative speaker may be granted an additional night on any proposition for continued discussion of the same; the negative speaker being granted the permission of following.

The rules and regulations of the discussion and arrangement as to the order of propositions discussed shall be arranged between the debaters.

The discussion shall be held in the Latter Day Saint's Maricopa stake tabernacle and admission shall be free and no collections.

Each debater shall select a moderator and they shall select a third moderator, who shall deliver a special address at the normal auditorium this afternoon at 2 o'clock. All of the schools of the city will be dismissed for the afternoon in time to attend this lecture, and President Matthews has extended the invitation to the general public.

SEWER DITCHER

The trenching machine owned by Doyle Bros., which was recently wrecked in a collision with a freight train on the Arizona Eastern tracks, has been repaired and is again in operation. The sewer crew is at work in Godwin, Homes and Farmers' addition, west of town.

CLEANING ESTABLISHMENT

H. Schurz has recently located in Tempe and has purchased the Steele tailoring establishment where he proposes to operate an up to date cleaning and pressing business. Mr. Schurz is a trombone player of exceptional ability and his acquisition to the Tempe band has been a big help.

SOCIALIST SPEAKER

The local contingent of the socialist party of America has secured the services of Ben Wilson for a public lecture to be given on the plaza this evening at eight o'clock. T. J. Parry is boosting the meeting hard and says that Wilson is one of the best speakers working in the interests of the socialist revolution.

AT THE OPERA HOUSE

Manager Goodwin offers a good program of four reels for tonight's movies at the opera house. "Thru the Knot Hole" and "Father's Strategy" are the two single reels. The double reel is entitled "The Governor Maker."

erator whose duty it shall be to act as chairman in all the meetings. (Signed) A. E. Harper, in behalf of the Church of Christ

JAMES W. LESUEUR, President of Maricopa Stake, in behalf of the Church of Jesus Christ of Latter Day Saints.

DEVELOPMENT WORK

For the purpose of doing development work on the nine claims located fifteen hundred feet south of the Mammoth mine in the Goldfield district and belonging to J. J. Fraser and J. T. McFarland, Mr. McFarland and Phil Conley will leave for the location this morning. The activities are looking up in the district there is no doubt. The nine claims south of the Mammoth are considered the most valuable in the district
